PUSSY FOOTING SEEMS POLICY OF SOME CANDIDATES

Six Candidates For Councilman Have Filed the Necessary Papers Although the Most of Them Have Not Made Public Announcement — Many Will File Tomorrow.

Because of the little interest being shown in the race for city councilman in the six wards of the city, some avowed candidates seem to be making a still hunt for the job in order to keep down opposition or to feel their way clear before getting into the fight—commonly known as pussy footing.

At the County Clerk's office today only six candidates had filed the necessary petitions to get their names published on the official ballots. Next Monday is the last day for filing such papers and it is expected that there will be one grand rush Saturday and Monday.

Of the six candidates who have filed their petitions with the County Clerk, only one has made a public announcement of his candidacy through the press. One other candidate, who has not yet filed his papers has announced publicly and will file his papers within a few days while in another part of today's Public Ledger there appears for the first time the announcement that the two old councilmen in the Sixth ward will be candidates to succeed themselves.

Those candidates who have filed their petitions follow:
First Ward—John W. Eitel.
Second Ward—Wm. R. Smith and Nace M. Brady.
Third Ward—J. Allan Dodson and Ross C. Owens.
Fifth Ward—Chas. B. Davis.

EWING NEWSPAPER CHANGES MANAGEMENT

In today's issue of Ewing Inquirer, McGowan Brothers, who have published that paper for some time, announce that they are discontinuing their connection with the paper and in the future it will be edited and managed by Mr. Ava Hoffman. Just what Messrs. McGowan will do in the future is not known now but they will probably again engage in the newspaper business elsewhere in the near future.

Court House Will Be Taxed On Next Wednesday Evening When Hon. Ed P. Morrow Speaks in the Interest of His Campaign For Governor.

The word has been passed out to all of the counties adjoining Mason county that Hon. Ed P. Morrow, Republican nominee for Governor, will speak at the Mason County Court House on next Wednesday evening at 7 o'clock and telephone messages have already been coming to Maysville asking that space be reserved for delegations from various parts of this and adjoining counties.

It will be impossible, however, to reserve seating space for anyone and all will have to take their chances and in order to assure a good seat, one should go to the Court House early.

Much interest is being taken in Lewis county in the announcement that Mr. Morrow would speak at Tollesboro on Wednesday afternoon and a great delegation of Lewis county people are expected to meet him there to hear his message.

People from Fleming, Robertson, Braeken and Nicholas counties will be in Maysville on Wednesday evening and it is also understood that a big number of Lewis county people, who are closer to Maysville by train than they would be to Tollesboro, will come to this city to hear the evening address.

NOTICE OF ANNUAL MEETING OF MASON COUNTY CHAPTER OF AMERICAN RED CROSS

Please take notice that the Annual Meeting of the Mason County Chapter of the American National Red Cross will be held on Wednesday, October 22, 1919, at 2 o'clock p. m. of said day at old Library Building, Sutton street, Maysville, Kentucky, for the election of a Board of Directors, consideration of and action upon reports, and transaction of such other business as may properly come before the Chapter. Each member of the Chapter is earnestly urged to be present.

Tickets go on sale today for the special show at the Washington Theater on next Thursday for the benefit of the Penny Lunch at the First District School.

JUDGE COCHRAN IS ASKED FOR FEDERAL TROOPS TO STOP RIOT

Riot at Andrews Steel Company's Plant at Newport Last Night When Six Men Are Shot—Appeal For Federal Troops Made to U. S. District Judge.

Federal Judge A. M. J. Cochran last night received a long distance telephone call from Newport appealing to him to send Federal troops to Newport to assist in quelling a riot between strikers at the Andrews Steel Company's plant and workmen. Judge Cochran referred the officers of the company who made the appeal to Governor James D. Black.

Former Chief of Detectives William L. Nimmo, Cincinnati, received 20 buckshot wounds and at least five other men were wounded with buckshot during the fierce battle which opened at 4:30 o'clock yesterday afternoon between strikers and guards and workmen employed at the plant on the Licking pike, near the Old 76 Distilling Company's plant, a half mile outside the city limits of Newport.

During the clash more than 100 shots were fired from rifles, shotguns and revolvers.

At 10 o'clock last night Nimmo and four companions, one an operative of his secret service agency, were escorted, under protection of Newport police, to the Government warehouse of the distillery near the steel plant. They had taken refuge in the warehouse, where they had been besieged five hours, during which time Nimmo and two other wounded men suffered from lack of medical attention.

The rescue of Nimmo's party was effected after W. N. Andrews, Secretary of the steel company, had made a long-distance telephone appeal to Governor James D. Black, of Kentucky, for state troops, and appeals had been made to officials of Newport and Campbell County for aid. Newport police brought the men to Newport in a police patrol.

Versions of the shooting differ widely, and stories of witnesses conflict as to which side fired the first shot. One story received by authorities is to the effect a man in the vicinity waved his white apron as a signal to the strikers, and that shots were fired from near-by houses.

FEDERAL PRISONERS ESCAPE COVINGTON JAIL

Local police have been asked to be on the look out for five prisoners who escaped from the jail in Covington, Ky., Friday morning. When Turnkey Ben Nie went into the cell-room to take breakfast to the prisoners he left the door into an outer corridor open. Waiting their opportunity, five negroes stepped out into the corridor, descended to the basement by means of the dumb-elevator, passed through the kitchen and made their way without interference to Greenup street, where they disappeared.

The fugitives are Theodore Correll, 19; Anderson Lewis, 20, and Herberty Blyth, 34, city prisoners, and Charles James and Lewis Evans, Federal prisoners, awaiting trial on a charge of robbing a post-office in Kentucky. They are all colored.

FROST TONIGHT

Take in plants or at least cover them with newspapers Friday night, says W. C. Devereaux, weather forecaster, predicting the first general frost of the season will be here Friday night.

Devereaux, says the temperature, after dropping to about 40 degrees Saturday morning, will rise slowly.

He said frost Friday night would be heavy, but not a killing one for hardier plants.

TIME TO TAKE DOWN YOUR SCREEN DOORS

The government is looked to as the leader in everything and this morning Mr. Charles Huff, of the local government building, removed all screen doors from the building. Looks as if fly time was about past and all others will now have to follow Uncle Sam's example.

BLACK BELT TOBACCO WAREHOUSEMEN ORGANIZE

Officials of 56 tobacco looseleaf warehouses in the Black Belt of Kentucky and Indiana have organized into an association known as the West Kentucky and Indiana Loose Leaf Warehouse Association. They expect to make the organization a national one.

Monday is the last day for filing petitions for councilman so that the name can be put on the ballot by the County Clerk but this does not seem to cause much excitement and still there are few getting into the fight. Unless some get in today and tomorrow it looks as if Maysville will not have a council this year.

NEW ERA MOVEMENT IS FULLY EXPLAINED

Native of Adams County, Ohio, Now Missionary in West Africa, Speaks at District Institute Held Here.

The New Era Movement was very attractively put by the visiting workers at the Presbyterian Church yesterday. Dr. Leith, of Covington, is chairman for the Presbytery and made a fine opening statement.

Dr. Kauntz, the Field Secretary, said that the churches are taking up the plan with great enthusiasm. It means every member interested in the whole work of the church and doing his particular part. It is not an ironclad plan but can be adopted in each church according to its needs.

Mrs. Porter of Louisville, spoke of the Women's work of the squad and gave us some valuable suggestions.

A representative from the church at Batangue, West Africa, Mr. A. S. Adams, who by the way was born near here in Adams county, Ohio, told of the wonderful development there. The largest Presbyterian church in the world is there and it has been accomplished through this principle of every member working.

His mission was in a German Colony which had to take up the study of French after the allies were in that field. This led to confusion and difficulty but they have overcome these, and the work is going forward.

The New Era Movement has only been adopted hitherto, in the financial department in the Maysville church but the purpose now is to organize the church as far as possible along the whole line.

MANCHESTER ISLAND SELLS FOR \$14,000

J. A. Bell of Manchester and his father-in-law, W. H. Launtz of Kentucky have paid T. F. Norris fourteen thousand dollars for 118 acres of the Manchester Island. The island was cleared of timber by the thirty families that had located at Massies' stockade in 1781. The entire island was owned by the Cooley brothers for many years and was covered with fruit trees, grapes and berries. Elmer Cooley now owns 22 acres at the west end of it. This season the corn will average more than 75 bushels to the acre.

BAND GIVES LAST STREET CONCERT TONIGHT

The Maysville Boys' Band will give their regular weekly concert in the city band stand in Market street this evening at 7 o'clock. As the band has not been heard in Maysville for several weeks, it is expected that there will be a large number of people to hear the several new pieces they have learned since their last local appearance. As the weather is now getting quite cool, this may be the last concert on the street for this year.

MOONLIGHT SCHOOLS DOING GOOD WORK IN MASON

Mrs. James Ross, Mason County Illiteracy Agent, reports that the moonlight schools which are being conducted in Mason county this year are meeting with much success and are accomplishing much good. The operation of these schools this fall will do much toward giving Mason county a better place in the scale of illiteracy when the 1920 census are taken.

Rehearsals for the home talent minstrel to be given at the Washington Theater next Wednesday and Thursday under the direction of "Gov" Bowen and Fred Bassett continue and much talent is being developed. The show promises to be an exceptionally good one.

SIXTH WARD COUNCILMEN CANDIDATES FOR RE-ELECTION

Messrs. Sherman Arn and Frank Hunsicker, Members of City Council From the Sixth Ward, Are Announced Candidates For Re-election.

Both Mr. Sherman Arn and Mr. Frank Hunsicker, members of the City Council from the Sixth ward, today authorized the Public Ledger to announce them as candidates for re-election in the coming November election. They are both now circulating their petitions and will file them with the County Clerk within the next few days.

Both of these gentlemen have been very active in council during the past term and have been leaders in every progressive movement for the betterment of the city as a whole. They have both served on important committees, which, during the term have accomplished much for the city.

These gentlemen have been good representatives for the Sixth ward, at all times endeavoring to care for their section of the city and by means of their efforts in council many improvements have been brought to that big district. These men are among the first to make formal public announcement of their candidacy and are making the race for re-election wholly upon the record they have made in office and on the promise that, if elected, they will continue to represent their ward and look after the interests of the city as a whole as they have done in the past.

WAS 27 YEARS CIRCUIT CLERK OF LEWIS COUNTY

Mr. E. A. Jones, for many years a resident of Lewis county, died at Huntington, W. Va., a few days ago after a long illness. The funeral was held and the burial made at Vanceburg yesterday afternoon. Mr. Jones was 66 years of age and for 27 years was Circuit Clerk of Lewis county. He had many warm friends in Maysville and Mason county.

Colonel Fred Bassett is in Maysville on business and helping the boys "put over" the big Home Talent Minstrel which will be given at the Washington Theater next Tuesday and Wednesday.

Mr. L. F. Zerfoss, of Lexington, District Y. M. C. A. Secretary, is spending today in Maysville on business for the association.

MANSLAUGHTER INDICTMENT AGAINST CONCORD MAN

Belvins Charged With Causing the Drowning of Edgington Boy Near West Union.

James Belvins, who has been held in the Adams county jail since last June charged with being criminally responsible for the death of Clyde Edgington, young West Union boy who was drowned in Brush Creek, was indicted for manslaughter by the grand jury.

Belvins is 67 years of age and his home formerly was at Concord, Ky. At the time of the drowning episode he was working for Sam Poole, near the scene of the tragedy. Young Edgington and a boy companion were using a boat belonging to Belvins, and when he appeared upon the scene, he is alleged to have made threats against the boys and to have thrown a club at them while they were trying to escape by swimming to other side of the creek. The Edgington boy became exhausted and drowned while his companion, Tommy Williams, was trying to assist him to shore.

MAYSVILLE PEOPLE LIBERAL TOWARD STARVING NATIONS

Young Women of the Settlement Club Are Meeting With Much Success in Gathering Clothing For Armenians and Syrians This Week.

Members of the Maysville Settlement Club have met with much success thus far in their campaign to gather old clothing for the Armenian and Syrians as a part of the campaign for Armenian and Syrian Relief. As there are so many other campaigns for finances in Mason county at the present time, it was thought best to postpone the campaign for money but the drive for old clothing is now on in full force in the city of Maysville.

The young women of the club have today been using automobiles and have been calling on most of the homes in the city. They have been able to gather quite a lot of worn clothing which will help much toward keeping the suffering of Armenians and Syrians from freezing during the coming winter.

Those sections of the city which have not yet been visited will be visited before the close of the week and those who have not yet contributed are asked to ranset their homes at once and gather together all the old clothing that they have no further use for that it may be contributed to this worthy cause when the young women call.

LOWER MARKET STREET PROPERTY CHANGES HANDS

Two of the most valuable pieces of business property in the city changed hands during the past few days. Mr. Frank Cady has purchased from Mrs. Adair, of Paris, the building in which he now operates a restaurant and Mr. George M. Diener has purchased from Mrs. Barbara Holtz, of Portsmouth, the adjoining property occupied by the Central Garage. It is understood that both prices of property brought large sums.

THANKS FOR OVERCOAT

In yesterday's issue of the Public Ledger we made a plea for an overcoat for a young tuberculosis patient now in the Louisville hospital, who is being sent to Colorado by the Kentucky Tuberculosis Association. This morning a great coat was delivered to the Public Ledger building and it will be shipped to Dr. J. S. Locke at Louisville immediately.

Subscription: By Carrier, 6c Week, 25c Month, \$3.00 a Year.

OUR POLICY

To support such measures as are unquestionably for the good of Mason County as an entire community, rather than such propositions as are in favor of the individual interest, or of one section as against another. And likewise to earnestly and consistently oppose all things that are not for the good of the County as a whole.

REPUBLICAN STATE TICKET

Governor—EDWIN P. MORROW, Somerset.
Lieutenant Governor—S. THURSTON BALLARD, Louisville.
Secretary of State—FRED A. VAUGHN.
Auditor—JOHN J. CRAIG, Covington.
Treasurer—JAMES L. WALLACE, Irvine.
Attorney General—CHARLES I. DAWSON, Pineville.
Clerk Court of Appeals—ROY B. SPECK.
Superintendent of Instruction—GEO. COLVIN, Springfield.
Commissioner of Agriculture—WM. C. HANNA, Shelbyville.
Railroad Commissioner—E. C. KASH, Jackson.
Representative—DR. W. S. YAZELL.

THE FIGHTING DANIELS

The publicity bureau of the Democratic National Committee spends a large amount of space lauding the members of the cabinet who sent their sons to war. Among the ten sons mentioned, eight of whom were officers, appears the name of Josephus Daniels, Jr. This part of the story reads:

"Josephus Daniels, Jr., held the highest rank of any... Cabinet officer's son in service, a captaincy in the marine Corps, in which he entered as a private a month before we went to war."

Ex-Marines will read this with a smile for only those who have served in the ranks of this branch of the service can realize the humor contained therein. Old line men have worked for years and they are still second lieutenants, and, at the best, firsts. But it must be remembered that the Marine Corps is under the direct orders of the Secretary of the Navy.

ECONOMIC TRICKERY

When the labor union agents started out on their endless chain of wages increases and work-time decreases, they put up the plausible argument to employers that "you don't have to stand the increase—just add it to the price of your goods and let the buyer pay it." But the time came when the general public realized that it was being tricked and refused longer to stand the steadily increasing burden. The labor unions are now engaged in a conflict not merely with the employers but with practically the entire country. There is no question as to the outcome. And union men may properly place the blame upon their leaders, who were not content to let well enough alone.

WE'LL ALL GO HUNGRY

If the proposed parcel post farm trucking scheme of the Post-office Department is as successful as the truck delivery of Army food-stuffs in Washington, D. C., the public will suddenly find themselves starving to death.

RIVER COAL MEN WIN A PARTIAL RATE VICTORY

Allege Discrimination by Railroads
Paralleling the Ohio—Fight For Existence.

"What is the significance of the announcement from the Railroad Administration in Washington that a reduction of 18 cents a ton is to be granted on the freight rate for river coal shipped inland by rail from Cincinnati to points to which the rate is now \$1 a ton, and a reduction of 15 cents to points to which the rate is now more than \$1, and proportionate reductions to intermediate points?"

This question was asked of R. P. Gilham, head of the Campbell Creek Coal company. "It means," he replied, "that the river coal companies of Cincinnati have met with partial success in their efforts to have the railroad freight rates reduced to pre-war status on coal brought to this city by water and shipped inland by rail from this point. If a carload is brought to Cincinnati from the Kentucky mines on the L. & N. railroad and a carload from the West Virginia mines on the C. & O. railroad and a carload from West Virginia by river, and all three carloads are reshipped from here over the Big Four railroad to Indianapolis, the Big Four receives 65 cents for each carload of the all-rail coal and \$1 for the carload of the river coal. It is expected that the new rates will go in effect about November 1, as they have been ordered effective on five days' notice. As more than 100,000 tons of river coal are shipped from Cincinnati annually, the reduction in rate will amount to between \$15,000 and \$25,000 a year."

WHAT OUR RURALITES ARE DOING

ORANGEBURG

The abundant rains of the past few days have been of great value in relieving the water supply and affording a fine prospect for fall pasturage.

Herman Bramel has just completed a new building on his premises in which (rumor says) he will open a grocery store in the near future.

Dean Willett, while housing tobacco a few days since had the misfortune to get a severe fall in which he sustained several bruises, but no serious injury.

Miss Nancy Coryell, who is teaching at Plumville, called on Mrs. Clarence Willett Sunday afternoon.

Mr. and Mrs. Markwell have returned from a visit with friends at New Richmond.

Neville Orridge is visiting his daughters, Mrs. Halfhill near Nicholasville, Ohio.

Mr. and Mrs. C. C. Turnipseed passed through our town Sunday en route to Flemingsburg for a visit to friends there.

The congregation of the Christian Church at this place have much regret in the fact that their pastor, Eldor Elliott of North Middletown, Ky., has been quite sick for several weeks and consequently unable to fill his engagements with the church. However recent reports are that he is recovering health rapidly, and probably be with his congregation on Sunday, October 18.

COMMISSION VOTED

Georgetown, Ky.—The commission form of government for city schools was voted by an overwhelming majority in the special election.

RURALITES HAVE BIG HEALTH ADVANTAGE

Abundance of Fresh Air and Sunlight Do Much to Check Ravages of Tuberculosis.

DANGER IN CLOSED WINDOWS.

National Tuberculosis Association, Which Sponsors the Annual Sale of Red Cross Christmas Seals, Reports 150,000 Deaths Each Year From the Disease.

People who live in the smaller towns and on farms have a great health advantage over the city dwellers in that they are ever an abundant supply of fresh air and sunlight.

These two gifts of nature, so lavishly bestowed, are not always appreciated to their fullest extent. They are two of the strongest weapons against the menace of tuberculosis, or consumption, as it is sometimes called.

But consumption is not unknown in the rural districts. The death rate is sometimes as great in these sections as in the more crowded localities, chiefly because of carelessness or indifference to laws of health.

Few, indeed, are the farm houses or the homes in the smaller cities and villages that cannot have an outdoor sleeping porch. On the contrary, we often find that the windows of sleeping rooms in the home are shut tight in the mistaken belief that night air is harmful.

This paves the way for disease, especially tuberculosis, which generally attacks the lungs.

White Plague Kills 150,000 a Year. The white plague claimed 150,000 lives last year in the United States. More than 1,000,000 Americans are suffering from it today. These figures are compiled from reports of experts all over the country and sent to the National Tuberculosis Association, the leading agency in the country to combat this disease. This organization is sponsor for the Red Cross Christmas Seal sale, from which its financial support is chiefly derived.

As medical science has proved consumption is both preventable and curable, the suffering caused by this disease is largely unnecessary. Most tuberculosis victims are between the ages of eighteen and forty-five.

Causes Half Billion Loss Annually. These are the years when people are most active, the years of their greatest production. The snuffing out of these lives just when they are at the height of their usefulness means an annual loss to the country of nearly half a billion dollars.

Fresh air is the cheapest of medicines. Outdoor sleeping porches are not only for the sick. They help well folks to keep well, and the country dweller can have this aid to healthy living at far less inconvenience than his city neighbor.

You can help directly by seeing that you and your family are living under the most healthful conditions possible.

FACTS ON THE ARCH ENEMY OF HUMANITY.

Tuberculosis kills producers—chiefly men and women between the ages of 16 and 45. It claims workers—active men and women in the homes, the office and the shop.

It causes 150,000 deaths in the United States every year. It costs the United States in economic waste alone about \$500,000,000 annually.

More than 1,000,000 persons in this country are suffering from active tuberculosis right now. It menaces every community, every home and every individual.

AND YET TUBERCULOSIS IS CURABLE AND PREVENTABLE. It is spread largely by ignorance, carelessness and neglect.

The National Tuberculosis Association and its 1,000 affiliated state and local organizations wage a continuous winning war on tuberculosis.

The work of these organizations is financed chiefly by the sale of Red Cross Christmas seals.

Drives the menace of tuberculosis from your door.

FIGHTING TUBERCULOSIS.

The National Tuberculosis Association has launched an extensive educational campaign. A recent health survey revealed a yearly death rate in the United States of 150,000 and there are today 1,000,000 active cases.

THE SYMBOL OF HOPE.

This is the emblem of the National Tuberculosis Association which annually sponsors the sale of the Red Cross Christmas Seals.

SUNDAY SCHOOL LESSON

OCTOBER 19, 1919.

Topic: Jesus a Guest in Peter's Home.

Mark 1:29-39. Matt. 8:14-17. Luke 4:38-41.

REV. J. J. DICKEY.

Jesus had attended service in the Synagogue of Capernaum, and finding a man of an unclean spirit there, he

healed him, to the wonder and astonishment of all present. Peter and Andrew invited him into their home, and finding Peter's mother-in-law sick of a great fever Jesus healed her. So complete was her restoration that she assisted in serving.

John and James were other invited guests. Because Peter and Andrew were disciples Jesus was invited into their home, because John and James were disciples they too were there. Jesus coming into the home brought healing.

This home became the rendezvous of all the sick of the city that evening—

WOULD CONNECT CHICAGO WITH NEW YORK

The Type Used in One Year to Publish Endorsements of Doan's Kidney Pills.

Of the many kidney remedies on the market today, none other is recommended like Doan's Kidney Pills. Fifty thousand benefited people gladly testify in the newspapers of their own towns. Forty-five hundred American newspapers publish this bona fide proof of Doan's merit. The type used in one year to tell this wonderful story would make a solid column of metal twice as high as the world's highest mountain. Placed end to end the lines of type would reach from New York to Chicago. These miles of good words told by 50,000 tongues sound glad tidings to any Mayville sufferer who wants relief from kidney and bladder ills. Here's a Mayville case. Don't experiment. Use the remedy endorsed by people you know.

Ben. P. Fleming, constable of Mason County, 217 East Lee Street, says: "I have used Doan's Kidney Pills off and on for several years, getting them at Wood & Son's Drug Store, and they have been of great benefit. At times, my kidneys have been out of order and I have suffered from a dull, constant ache through the small of my back. The kidney secretions have been irregular in passage, too. A box or so of Doan's Kidney Pills have never failed to relieve me of this complaint in a short time."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Fleming had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

the most distinguished home in that city. It sprang in to prominence because Jesus was there and he was there because it was a Christian home. The greatest blessing my home can possess is to have Christ in it; and every home may have this distinction. If this fact were appreciated what a changed world this would be!

How may we have Christ in the home? By taking him into the heart. There is no other way. The coming of no other guest can honor or bless a home, like the coming of Christ! It little matters whether the house be a palace or a hovel, if only Christ dwells there. His presence is a panacea for all domestic ills. It will drive away strife, dispel fear, intensify love, promote discipline, awaken latent powers, enlarge the vision, subdue passion, control appetite, direct energy, sweeten toll, sanctify property, elevate ideals, inspire hope, strengthen the will, insure happiness and fit the inmates for heaven! These are not the vapors of a fervid imagination. Millions of homes have made the test and found the promise true. The Christian home is the solution of all our national problems. If God is not honored in the home he will not be obeyed by the nation. The character of the nation is formed in the home. No other than Christ can organize and control a home as it should be. Until he is received and obeyed in our homes discord and strife will characterize the nation. "Things will never be right with men till men get right with God."

It is the province of Christ to change human nature, to make men over, to transform them and to give them a love for the right and empower them to do the right. None other can do this. To shout Christ in to shut out hope. He alone can free men from evil and make them good. No home is really happy where Christ is not supreme.

Frankfort, Ky.—Seed of the oak and maple are being gathered in Western Kentucky by the State to be used in reforestation.

ARBOR DAY PROCLAIMED

Frankfort, Ky., October 16.—Governor James D. Black Wednesday issued a proclamation designating Friday, October 31, as Arbor Day and urged a general observance throughout Kentucky of the spirit and purpose of the day.

Fleming, Ky.—Elmer Peterson, 21, Dane, has filed a citizenship application, and when granted will enlist in the army.

Catarrhal Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Halls Catarrh Medicine acts thru the blood on the mucous surfaces of the system. We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Halls Catarrh Medicine. Circulars free. All Druggists 75c. F. J. CHENEY & CO. Toledo, O.

Grow SQUABS

In Your Back Yard

Take Little Room—GROW QUICK—Are Easy to Raise

The pair of pigeons Noah took into the ark could nest, and hatch and raise a pair of squabs in the forty days the rain lasted. The eggs of pigeons hatch in seventeen days. The squabs are ready to eat in three to four weeks. No other domestic bird or animal can make its meat product from start to finish in so short a time and repeat seven or eight times a year.

A box attached to a wall will house a pair of breeding pigeons. A coop 6x6x6 feet will accommodate eight to ten pairs. What little care pigeons require can be given at the convenience of the keeper at night by artificial light quite as well as by daylight.

Squab Growing Can Be Carried on Extensively by Those Who Cannot Keep Live Stock of Any Other Kind

Nothing Easier to Raise

Nothing Better to Eat

you have been keeping your valuable papers in envelopes or a box around the house, you are assuming unwarranted risks. Fire, Rats, Burglars are always on the alert for such and may rob you of them at a moment's notice.

You may come here and rent a safe Deposit Box in our Fire Proof, Burglar Proof Vault for a very small sum. Then you know your papers are always safe.

The Path to Health

For many thousands of women the Path to Health has certainly been through Lydia E. Pinkham's Vegetable Compound. When this great remedy was first introduced, and for many years after, skeptics frowned upon its curative claims, but as year after year has rolled by and the little group of women who had been cured by it has since grown into a vast army of hundreds of thousands—doubt and skepticism have been swept away as by a mighty tidal wave, until today this purely vegetable medicine is recognized as the greatest remedy for woman's special ills in the world. This is because it is a wonderful tonic and reconstructor which acts directly and favorably upon the feminine organization and is a specific for that purpose.

Women in All Countries Depend Upon

BOYS' BAND CONCERT TONIGHT At 7:30 O'clock in the Band Stand

MARGUERITE CLARK IS COMING!

Why? To help the First Ward Public School Penny Lunch in the girl who was always trying to help her friends and enemies, too. Won't you buy some tickets from the school children? Thursday, October 23d, matinee and evening, at Washington Opere House. In "Mrs. Wiggs of the Cabbage Patch." You are bound to like her as Lovely Mary.

MAYSVILLE'S CHURCHES

Where the Religious Exercises Will Be Held on the Sabbath.

Christian Science services Sunday morning at 11 o'clock in G. A. R. Hall, Cox Building.

First Presbyterian Church. Sunday School 9:30 a. m., Jas. B. Wood, Superintendent. Preaching by pastor 10:45 a. m. and 7 p. m.

Endeavor meeting 6:15 p. m. This is "loyalty" month in the New Era Movement, and church and the Sunday School attend is especially emphasized. The pastor will have something special to say about the work of the church.

All made welcome.

JOHN BARBOUR, Pastor.

First Baptist Church. Sunday School at 9:30 a. m., W. J. Caplinger, Superintendent.

The closing exercises will be in charge of the Philanthia Class. Solo by Miss Lucy Smith.

"Baptist 75 Million Campaign"—Miss Elizabeth Clift.

Select Reading—Miss Bess Bell. Preaching at 10:45 a. m. and at 7 p. m. by the pastor.

Morning subject—"How to Build up a Church."

Evening subject—"The Wonderful Christ."

JOHN A. DAVIS, Pastor.

The Little Brick Church. Revival services in which Rev. F. B. Jones, Presiding Elder of the Maysville District, will assist, will begin next Monday night.

The song services, during the present week have been highly gratifying. The choir will be ready to furnish excellent music during the revival.

Sunday night at 7 o'clock Rev. L. T. Pickett will preach. He is distinguished as an author, an evangelist, a singer, a music composer and as a temperance orator. We trust he will have a good hearing.

The Sunday morning services at usual.

J. J. DICKEY, Pastor.

Third Street M. E. Church.

First Quarterly Meeting services Sunday at 10:45 a. m. with communion of our Lord's Supper. District Superintendent W. H. Davenport will conduct the service, preaching at the hour named.

The business session will be held Saturday evening. All members of the quarterly conference should be present as the Superintendent will give an outline of the great evangelistic program of the church.

The pastor will preach at 7 p. m. Sunday School at 9:30 a. m. With our splendid organization we should keep up and increase our attendance.

Epworth League service at 6:15 led by William O. Davis.

Everyone cordially invited to all our services.

WORTH S. PETERS, Pastor.

HEALTH CENTERS

TO BE FOSTERED BY THE RED CROSS

New Plan of American Red Cross to Foster Health Centers Throughout Country Is Announced.

In connection with "national safety" Laks Division headquarters of the American Red Cross in Cleveland (O.) announces a new plan of the Red Cross to foster the establishment of Health Centers throughout the country as a part of its peace-time program of service to Americans.

The first step in the Red Cross health program was the extension of the public health nursing service. The second step is to be the mobilization of Red Cross interest and influence for the establishment of health centers in every community where conditions make this desirable and possible.

A Health Center is to be the headquarters for the public health work of a community. Its purpose is to educate the people in matters of health and prevention of disease. It is a place where they can be taught how to keep well rather than a place where they may go to be cured.

That a far more vigorous campaign in this country to promote physical welfare was made clear by the selective service examination in which one third of all candidates were rejected for active service because of physical disability.

Agencies co-operating in a Health Center will vary according to community needs and organizations. A complete health center will have in it a public health dispensary and clinic for the prevention of disease and dissemination of health information.

Offices of the city health work will be located there as well as offices of allied agencies such as home service and children's aid. It will be the disaster relief headquarters and the center of the war on tuberculosis.

Instruction will be given at the health center in child welfare subjects, in social and mental hygiene and prevention of accidents, home nursing and dietetics. Dental clinics and the outpatient department of the local hospitals may be included in the health center.

The Red Cross has no thought of attempting either to encroach upon the field of national, state or local health authorities, or to supersede any of the accredited agencies carrying on special health work. The Red Cross will promote the health center as a focus to bring together all community agencies dealing with the health of the people.

The fostering of Health Centers is to be looked upon not only as permitted Red Cross activity but as a highly desirable means of expressing Red Cross spirit in an enduring form.

Health work is an important feature

of the peace-time program of the Red Cross.

The membership dollars subscribed in the Third Red Cross Roll Call, November 2-11, will help bring to Lake Division Communities this important Red Cross Service.

CONSTRUCTION WORK IN SOUTH IS ENCOURAGING

Report on Construction Survey Throughout the Southland Shows Much Work.

Baltimore, Md., October 9.

Special to the Public Ledger.

Announcement of the formation of two steamship lines is contained in the news of important industrial and commercial enterprises in the South as published in the Manufacturers Record of the current week; one of these lines is incorporated in Baltimore for \$500,000, and at Norfolk, Va., a ship operating company has been formed for \$300,000.

A plant to manufacture motion-picture machines will be erected at Nashville, Tenn., by a new concern incorporated at \$1,000,000, and from the same city comes the announcement of the consolidation of two national banks there, increasing capital to \$1,500,000.

Sewer and street improvements at Helena, Ark., will be made at an expenditure of \$750,000. At Poplarville, Miss., a steel and concrete drawbridge spanning Pearl River will be constructed at a cost not to exceed \$600,000.

A hotel costing \$12,000,000 is proposed for St. Augustine, Fla.; at Jacksonville and at Tampa oil tanks will be constructed by the Seaboard Air Lines at an approximate cost of \$250,000 each. A \$450,000 store building will be erected in St. Louis, and in that city also a \$300,000 synagogue will be built. In Washington, D. C., a \$300,000 garage is to be erected.

The oil fields, particularly of Texas and Louisiana, show continued activity. At Shreveport a \$1,500,000 refinery has been organized; also a petroleum company incorporated for \$600,000. At Cedar Grove, La., a refinery is contemplated at a cost of \$1,500,000. From various Texas towns—Wichita Falls, Breckenridge, Dublin, Newcastle and Ranger—come announcements of new refineries, casinghead gasoline plants and skimming stations to be built. At Clerksburg, W. Va., an oil and gas company has been chartered for \$1,500,000.

At Tulsa, Okla., an iron works plant has increased its capital from \$1,250,000 to \$3,000,000, and in that city also a savings and loan association incorporated from \$1,000,000 to \$1,500,000. At Jenks, Okla., an electric generating station is contemplated at a cost of

\$3,000,000. A terminal station will be reconstructed at Oklahoma City at a cost of \$250,000.

A street railway has been chartered at Paducah, Ky., for \$1,000,000.

A plant to catch menhaden and manufacture fertilizer, fish oil, etc., will be established in a Florida town; it is proposed to operate six oil-burning fishing tugs.

A publishing company has chartered at Norfolk, Va., for \$500,000. At Newport News a \$300,000 plumbing and mill supply corporation has been formed, and at Petersburg a trunk corporation has chartered for a like amount and a factory will be built.

A \$750,000 company has been incorporated in Baltimore to manufacture automobile tires, tubes, etc., in a \$300,000 plant, and at Charleston, W. Va., a corporation has been organized for the manufacture of tireometers to regulate air pressure on automobile tires.

Woody mills at High Point, N. C., will build a substantial addition; at Lineolnton, in the same State, cotton mills have been formed with \$250,000 capital, and at Leakesville woolen mills have increased capital to \$250,000. From other points in the Carolinas come similar announcements of additions to equipment and capitalization increases.

HURT IN BOILER BLAST

Mt. Vernon, Ky.—Ed Payne, discharged overseas soldier, and Charles Sampson were seriously burned when a sawmill boiler exploded.

PARSON HALF WAY BACK IN AIR RACE

Chicago, October 16.—Half way across the continent on his return journey in the great air Derby, Lieut. B. W. Maynard today is well in the lead of the four other homeward-bound fliers.

Lieut. Maynard, having passed Sidney, Neb., is almost a day's flight ahead of his nearest pursuer from San Francisco, and his closest opponent in the point of actual flying time, for the trans-continental flight, Capt. Lowell H. Smith, is out of the contest, as his plane was badly damaged by fire last night, after he landed at Buffalo.

FATE OF CONFERENCE HANGS IN BALANCE

Washington, October 16.—The fate of the industrial conference hangs on the outcome of the efforts of the Committee of Fifteen to reach an agreement on collective bargaining, representatives of the three groups—public, labor and capital—declared today.

PUBLIC SALE

OF WELL IMPROVED SMALL FARM
TUESDAY, OCTOBER 14,
10 O'CLOCK

In as much as I don't care to be burdened with the responsibility of looking after my farm at my time of life I have decided to offer it at Public Sale to the highest bidder on the above date. There is about 63 acres in the farm; situated in Mason County, Kentucky, in the Minerva precinct on the Big Pond Pike 6 miles West of Maysville; in Consolidated School District. This is a well improved small farm, in fact there is few like it in the county. There is a 6-room Frame House, in good condition, stock barn and tobacco barn, with usual outbuildings, all buildings in good repair. Fencing is good, and there is an abundance of water for stock and family use even at this drought period. Possession will be given for seeding this fall and full possession March 1st, 1920. Land will be sold on easy terms. Sale will take place rain or shine on the premises, so be on hand if you want this desirable little farm.

Why Central Can Not Answer Questions

The duty of the switchboard operator is to answer your number calls and get connections for you.

If she stopped to answer questions, the number of calls would pile up and the service would be delayed; this would be an injustice to the other subscribers.

When in response to a question, the operator says: "I will give you Chief Operator," she is obeying her instruction.

If you cannot find what you want in the telephone directory, ask the operator for "Chief Operator" and she will connect you with the "Chief Operator" where your questions will be promptly answered.

HOTEL BUILDINGS NOW CONNECTED BY CLOSED BRIDGE

Contractors at Work Completing Large Bridge Which Connects the Central and the Whitehall Buildings—Maysville Now Has Record Hotel.

Contractors have been at work this week building a closed bridge connecting the Central and the Whitehall Hotel buildings in the rear and this work will be entirely completed and the bridge be ready for use by the close of this week.

Some several months ago both hotels came under the same management and immediately plans were started to unite them both into practically one building. By the completion of this closed bridge this is now accomplished. The dining room and office of the Whitehall on Second street were discontinued the dining room and the office of the Central being used for both.

By the connection of these two buildings practically into one, Maysville now has one of the largest hotels in any small town in the state of Kentucky and under the efficient management of Mr. Claude Watkins and his splendid corps of assistants, it is now one of the best hotels in the state as well.

NEXT WEEK AT THE PASTIME

Monday—"Just Squaw" featuring Beatrice Machelaine.
Tuesday—"The Circus" is coming to town—William Fox presents Peggy Hyland in "The Merry-Go-Round."
Wednesday—William Fox presents William Farnum in "The Man Hunter."

Thursday—"Bima of the Green Ban" featuring Alma Rubens.
Friday—"The last episode of 'The Tiger's Trail' and the first episode of 'The Great Gamble,' also Pathe News.
Saturday—Pete Morrison in "The Gun Magic." Billy West in "The Chauffeur" and Screen Magazine.

SECOND STREET IS NOW ENTIRELY OPENED

Contractors have finished all of their work in improving West Second street and today opened the street for its entire length to the public. This improvement is one of the biggest that has ever been made in Maysville in recent years.

MUCH COAL IS PASSING

The Ohio river at this point is now at a very high stage and is still rising. Many tow boats with large tows of coal have been passing down the stream for the past 24 hours and many more are said to be on their way.

Buy in Maysville. It pays.

CORN AND TOBACCO WILL BE VERY SHORT REPORTS INDICATE

Federal Crop Report For Kentucky Shows That Both Leading Crops of the State Are Materially Short This Year.

With the growing season practically ended, except for late tobacco and a very small amount of the latest corn that is now maturing, Kentucky's crop prospects now indicate the production of approximately 425,648,000 pounds of tobacco compared to 427,500,000 pounds last year, and 81,842,000 bushels of corn. The United States estimated that this year is now estimated at 1,278,062,000 pounds, compared to 1,348,019,000 pounds last year, or about 4.6 per cent. decrease.

These estimates were issued yesterday through the office of H. F. Bryant, Kentucky field agent of the United States Bureau of Crop Estimates, and the following estimates of other crops produced in Kentucky this season, with comparisons with 1918 crops, were issued at the same time: oats 8,536,000 bushels compared to 9,600,000 last year, barley 175,000 bushels compared to 196,000, potatoes 4,502,000 bushels compared to 5,625,000, sweet potatoes 1,094,000 bushels compared to 1,235,000 sorghum molasses 2,559,000 gallons compared to 2,826,000 gallons last year, clover seed 36,000 bushels compared to 34,000, apples 2,025,000 bushels compared to 3,780,000 bushels in 1918 and pears 126,000 bushels compared to 140,000 last year.

The widespread drought in Kentucky this summer damaged practically all late growing crops more or less, but the more favorable weather of the last few weeks has helped late tobacco, corn and pastures to grow out some. The drought was very irregular and spotted all over the State, some local sections having a fairly good growing season while adjoining sections were parched.

Stockwater was scarce in some counties and pastures are still not generally very good, though they have improved much during the last month and some sections now have good grass.

The hemp crop in the Blue Grass counties was cut to an exceedingly small acreage this season and most of what was grown apparently will give a light yield.

Condition of minor crops, etc., is as follows: Buckwheat 75 per cent.; pasture 65; fields peas 73; field beans 77; tomatoes 74; cabbage 70, average yield per acre 2 tons; onions 89, average yield per acre 120 bushels; grapes, condition, 60 per cent.; pears 31; hoon corn condition 85 per cent.; average yield 800 pounds per acre; sorghum for sirup, condition 80 per cent., average yield per acre 85.6 gallons.

GREAT CROWDS GREET MORROW FOR HIS DANVILLE TALK

Court Room Crowded to Hear Oratory of Young Candidate For Governor—League Is Not State Issue.

Danville, Ky., October 16.—Wedged together against almost to the point of suffocation, black and white admirers of the oratory of Edwin P. Morrow sat and stood in the courthouse here Wednesday night and laughed and wept.

From a standpoint of oratory the Republican nominee for Governor was at his best, inspired, doubtless, by the fact that just back of him on the platform sat his wife and daughter. The latter is here attending school.

This speech of Mr. Morrow here did not differ materially from his initial one of the campaign. He has added to his speech from time to time, however, and he did not omit anything here.

As usual, he began by asserting that the League of Nations has no place in the present campaign, asking what possible effect the election or defeat of Mat S. Cohen, Democratic nominee for Secretary of State, could have on the question.

Mr. Morrow reviewed the Bingham tax case, including the Harkness and whisky cases, and stated that the Stanley-Black administration had lost the state more than \$4,000,000 by slipshod methods employed to collect taxes.

Mr. Morrow paid a high tribute to Dr. Gannfield, president of Centre College, who is one of the men he proposed on the nonpartisan board to have in charge State charitable institutions.

In a speech to a large number of voters in the afternoon at Bardonia, Nelson county, Mr. Morrow branded as false the charge that he was opposed to Confederate pensions. Mr. Morrow declared he has always been and was now in favor of pensions for Confederate veterans.

King Swope, congressman for the Eighth District, introduced Mr. Morrow at Danville.

CHURCH ANNOUNCEMENTS

Belhel Baptist Church.
Sunday School 9:30 a. m. Pastor will preach morning and evening and it is hoped that many of the members will be present to assist the committee who is working to purchase a new carpet for the church. The pastor and members are looking forward to the reopening of our church in the near future, which will be one of the most commodious places of worship in the city of Maysville when completed. The Brotherhood will meet at 3 p. m. and many of the members are expected at this service as a splendid program has been arranged for this meeting. All are welcome to these services.
R. JACKSON, Pastor.

Sedden M. E. Church.
Sunday School at 9:45 a. m., G. N. Harding, Superintendent. Preaching at 10:45 a. m. and 7 p. m. by this pastor. Prayer meeting Wednesday evening at 7 o'clock. The public is cordially invited to all of these services.
W. H. MORRIS, Pastor.

RURAL EDUCATION CONFERENCE BEGINS IN BEEBA NOVEMBER 26

Frankfort, Ky., October 16.—The National Conference on Rural Education will meet in Berea November 26 to 29, inclusive. Over 500 delegates from the different states are expected to attend the conference. The prominent figures in educational circles who will be on the program are P. P. Claxton, commissioner of education, and General Director of Rural Education Merlen, of Washington, D. C.

50 cases Government Pork and Beans in No. 3 cans. Any today, beans are scarce and have advanced. All kinds of goods are higher. Lots of can goods I sold last week for 10c a can are 12 1/2c wholesale today. Tomatoes will be scarce. Cans and all goods where tomatoes are used will advance.

EVERYTHING
at this Grocery Store keeps turning over and over with the daily whirl of time. That's how **GROCERIES HERE ARE FRESH** and sweet as a rose. Stock changes too rapidly for anything to get stale. Get your **CEREALS, CRACKERS, MUSTARD, AND OLIVES** and everything else in the Grocery line of us, and have them O. K., at right price.

A GOOD LITTLE FARM

In the Washington School District

Is For Sale

There's a 23 acres of it, a good five-room house, tobacco barn, all needed outbuildings, located on the pike, about one-quarter of a mile from Murphysville. A splendid small farm, good land, well worth the price asked.

Won't be on the market long.
